## Special thanks to:

- Helena Klipperstein for organizing the Bake Sale fundraiser, which was well supported by the Wombat Track group, as well as other groups.
- Photos of the 2020 Boeing Indoor Classic are available at:  
<https://leephography.smugmug.com/2020-Boeing-Classic> .

The photographer, Terry Lee, has done an awesome job capturing the athletes, Officials and volunteers working throughout the event. There is action on the track and on the field - with athletes running around the curve, throwing the spot put, jumping through the sand pit and over the bar in high jump and pole vault. All that and more!

There are no watermarks on the photos, so you are welcome to copy your favourite shots!
